

ONE FOCUS. ONE VOICE.

Making the aviation service providers more powerful at the International Airports of Zurich, Geneva and Basel

– Founded in October 2018 –

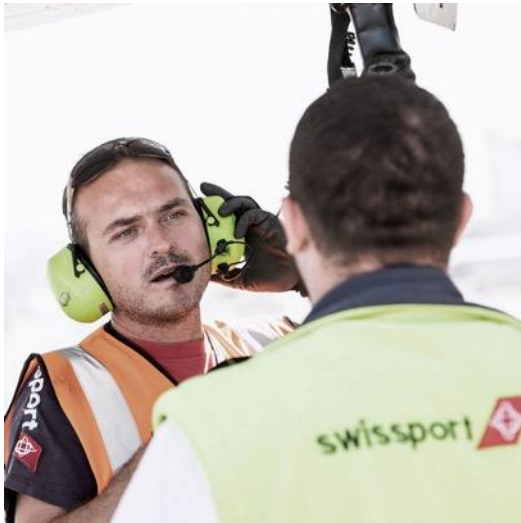

MISSION & STRATEGIC OBJECTIVES

SASPA wants to

- address, anticipate, initiate and debate industry relevant topics
- support its members to increase its operational and commercial efficiency
- further develop innovative tools and sustainable solutions for successful future airport activities

ORGANISATION & RULES

SASPA is

- open to ground handling aviation services companies with a headcount of at least 150 staff
- currently representing 8 companies but open to new members which are registered in Switzerland
- financed by the membership fees and has no further liabilities than to manage their own funds

MEMBERS & MEMBERSHIP

ONE FOCUS. ONE VOICE.

CURRENT MEMBERS

8 companies representing **over 10'000 employees** in Switzerland and serving **more than 70 airlines**.

HOW TO BECOME A MEMBER

The following process is in place

- fulfilling all membership criteria outlined in the SASAP articles
- submitting a membership application to the NEC
- being nominated as a new member by the NEC

OUTLOOK

All relevant airport topics will be addressed in order to secure a smooth development for airport service provider activities, focusing on

- Infrastructural topics and safety items
- Exchange with airport operators and industry partners
- Regulatory affairs and social issues
- Digital Transformation and Digitalization
